

Buchtel Weekly Newsletter

Covid-19 Updates

As part of our commitment to keeping the community informed and up-to-date on changes happening due to the Coronavirus, APS publishes announcements almost daily that you can find [here](#). Each newsletter is sorted by date so you can find the most updated information.

Grading Communication

As the end of the school year comes closer, we know that many of you likely have questions about how your students' final grade will be determined. [Click here](#) to find a helpful document from APS that explains how final grades will be decided across the district.

Graduation Updates

Please see [this link](#) for a print version of the important graduation updates you all should have received via all call. There are important updates regarding cap and gown pick-up, scheduled graduation times, and much more.

2020 Census

It's not too late to respond to the 2020 Census while being safe and practicing social distancing at home! Once you have responded, please encourage your family, friends, and loved ones to complete the census, too. Take your 2020 census at <https://my2020census.gov>. You can find a resource guide on how to complete the paper questionnaire that was sent to your home [here](#).

Middle School Electives

Our middle school electives staff would like us to remind you that many elective courses have been using Echo to post and update assignments. Make sure your student is continuing to check Echo frequently.

Tips for Connected Learning

COMPLETING AN ASSIGNMENT IN GOOGLE CLASSROOM

Always read the directions from your teacher! Assignments may vary in type.

Click on the assignment title.

Click on **View Assignment**.

Click on **+ Add or Create**.

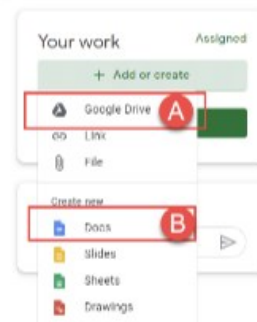

Sometimes your teacher will have a document for you to use, if so, you can skip the next step.

(A) Click on **Google Drive**. If the file already exists, go to the next step.

Or

(B) If you need to create the file, click on one of the choices under **Create New**.

IMPORTANT! Click on TURN IN when complete.
